

How to Clean Zion

Supreen™ Liquid Barrier Upholstery Fabric

Supreen™ is a revolutionary new performance upholstery material, that marries cutting-edge woven and coated technology to create a unique liquid-barrier textile. The result is a hard-working upholstery fabric with a luxurious look and a surprisingly supple hand. Supreen outperforms in the places and spaces where life hits hard.

This fabric has an W-S cleaning code. Spot clean with upholstery shampoo, foam from a mild detergent, or mild dry cleaning solvent. Do not saturate with liquid. Pile fabrics may require brushing to restore appearance. Cushion cover should not be removed and dry cleaned. Bleach Cleanable: Lightly spray with a 10% dilution of Household Bleach and water. After the appropriate contact time, blot surface dry and wipe or rinse with fresh water and blot dry.

Spot cleaning is always recommended.

Prompt cleaning of stains will produce best results. Recommended cleaning steps are listed by type of stain.

Recommended Care and Cleaning Guide:

Regular Cleaning and Maintenance (*Dirt • Dust • Grime*)

Regular vacuuming is recommended.

Spot clean the soiled area with mild soap and water, then wipe or rinse with fresh water.

Food Stains / Oils (*Mustard • Ketchup • Chocolate • Coffee / Tea • Salad Dressing*)

Rub the affected area with a soft cloth or sponge using a 1:10 solution of dish soap and water.

For stubborn stains follow up with a mild solution of Oxi Clean™. Wipe or rinse with fresh water.

Difficult Stains (*Eye Shadow • Mascara • Lipstick • Crayon • Grease*)

Rub the affected area with a soft cloth or sponge using a 1:10 solution of dish soap and water.

For stubborn stains follow up with a mild solution of Oxi Clean™. Wipe or rinse with fresh water.

Healthcare (*Blood • Urine • Betadine*)

Rub the affected area with a soft cloth or sponge using a 1:10 solution of dish soap and water.

For stubborn stains follow up with a mild solution of Oxi Clean™. Wipe or rinse with fresh water.

Disinfection (*Blood • Urine • Betadine*)

To disinfect, lightly spray with a 10% dilution of Household Bleach and water, or a 70% dilution of Isopropyl Alcohol and water. After the appropriate contact time, blot surface dry and gently wipe or rinse with fresh water and blot dry.

The information in this cleaning guide refers to performance of this fabric in specific tests conducted under laboratory conditions. This information is not a warranty, and does not relieve the user from the responsibility of the proper and safe use of the product and referenced cleaning agents. Removal of stains is not guaranteed.

Cleaning information is offered for general guidance and is not a guarantee. The use of certain cleaning agents can be harmful to the surface appearance and lifespan of a product. Burch Fabrics assumes no responsibility for damage to a product resulting from lack of cleaning, improper cleaning or the misuse of cleaning agents. Certain clothing and accessory dyes (such as those used on denim jeans) may migrate to materials and cause permanent damage. Burch Fabrics cannot be held responsible for dye transfer caused by external contaminants.
