Polka

Performance Woven Fabric

Crypton® Super Fabric

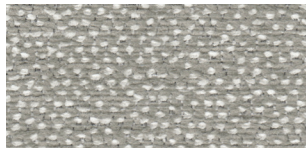

12 Colorways

Bleach Cleanable

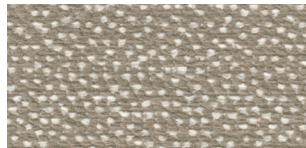

Free of Added FR Chemicals / PFAS Free

Polka is a vibrant new Crypton fabric that is as enchanting as it is luxurious. Polka's plush chenille forms a soft base for its whimsical dotted pattern. Upon closer inspection, you'll notice contrasting accent colors that add a dynamic 3D effect.

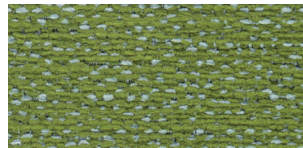

Polka's range of twelve bold and diverse colors complements the pattern's lively energy, while the enduring protection of Crypton guarantees extended performance in any space.
