# Madras

Performance Woven Fabric

Indoor / Outdoor Fabric

10 Colorways

Free of Added FR Chemicals / PFAS Free

Meet Madras, a mod plaid with retro-cool sensibility. This handsome check balances a soft wool-like hand and subtle color melding, perfect for practically any setting. Madras' vivid palette favors bold style moments with shades like Picnic and Mosaic, while monochrome Gypsum chills it out. With stain, bleach and UV resistance, Madras is high on the cool factor but low on maintenance within high traffic settings, indoors and out.
