## Tartan

Performance Woven Fabric

Crypton® Super Fabric

11 Colorways

Bleach Cleanable

Free of Added FR Chemicals

Plaid textiles have a rich and storied history; their unique iterations a symbol of family pride. It's this special connection that inspired Tartan; a modern day plaid meant to reflect a space's unique personality. Although a plaid is classic at its core, Tartan leans contemporary with unexpected line-work, an iridescent sheen and a bold and expressive palette.
