## Briar

Performance Woven **Printed** Fabric

Crypton® Super Fabric

4 Colorways

Bleach Cleanable

Free of Added FR Chemicals / PFAS Free

Briar marks the debut of printed base cloths finished with Crypton's patented, all-in-one performance technology and integrated moisture barrier. The print process eliminates the need for additional finishing steps, making Briar suitable for use in any high-traffic environments, not just on accessories or accent pieces.

The graceful movement and intricate linework of Briar's botanical vine pattern dance in exquisite detail. Briar is available in four ornate and elegant color combinations.

## Posy

Performance Woven **Printed** Fabric

Crypton® Super Fabric

5 Colorways

Bleach Cleanable

Free of Added FR Chemicals / PFAS Free

Posy marks the debut of printed base cloths finished with Crypton's patented, all-in-one performance technology and integrated moisture barrier. The print process eliminates the need for additional finishing steps, making Posy suitable for use in any high-traffic environments, not just on accessories or accent pieces.

Posy is a floral with attitude: delivering big on scale and visual impact with a velvety soft feel that adds a layer of unexpected luxury. Posy is available in five charismatic colorways.
